Welcome to Fall!

We hope you enjoyed the fantastic weather and great golf at Strawberry Farms Golf Club this summer. We had a summer filled with lots of golf, some very fun and challenging tournaments (OC & Irvine City), amazing weddings, employees graduating and having babies, and an end of summer party that had everyone dancing. But now it's time for pumpkins and cool nights and the change in seasons brings with it the need for fall aerification. To maintain great playing conditions, we will aerify on Monday & Tuesday, October 28th and 29th.
